Mercedes-Benz G-class G 580 EQ AMG Line Premium Plus 04/2026

Equipment

Burmester 3D Surround Sound System, AMG Line exterior and interior styling, 128 kWh battery, high-capacity public charging capability (up to 80% in 36 minutes), large luggage boot space.

Overview

This 2026 Mercedes-Benz G-Class G580 EQ AMG Line Premium Plus registered on 09/04/2026 is an SUV powered by a fully electric powertrain. Offered as a new car through a professional dealer with 1 owner and 4,688 miles, it combines the traditional rugged design of the G-Class with contemporary electric technology.

Driving Performance

The vehicle is equipped with an automatic transmission (A/T), a 4WD drivetrain, and an electric motor delivering 588 hp. It accelerates from 0 to 62 mph in 4.7 seconds, ensuring exceptional capability and performance across various driving conditions.

Interior and Equipment

The black interior accommodates five passengers in a cabin enhanced by the Burmester 3D Surround Sound System. Practicality is a key strength, offering a large boot space with significant room for luggage and equipment.

Technologies and Assistants

Equipped with a 128 kWh battery offering a maximum range of 291 miles when new, the vehicle supports efficient travel with fast public charging capability reaching 80 percent capacity in 36 minutes. Advanced electric architecture provides modern support in urban and off-road environments.

Exterior

The body is an SUV finished in black with AMG Line styling, combining iconic rugged aesthetics with modern electric vehicle design.
