Overview

This Mercedes-Benz EQS SUV 450 4MATIC AMG Line Package from 2024 is an electric off-road SUV. It represents a premium option for buyers seeking a high-end luxury electric SUV.

Driving Performance

The vehicle is equipped with an automatic transmission and a 4MATIC 4WD drivetrain paired with air suspension. This configuration delivers smooth, refined, and controlled driving characteristics.

Interior and Equipment

The interior accommodates seven passengers across 3-row seating with 5 doors and is configured for high-end executive comfort. The cabin layout features genuine leather seats, electric seats, seat heaters, a rear seat monitor, keyless entry, smart key, and power windows to support both daily journeys and long-distance travel.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Parking Assist, full-width and 360° cameras, and Blind Spot Monitoring—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The body is an off-road SUV finished in Diamond White. Its exterior presentation is enhanced by adaptive LED headlights, a sunroof/glass roof, and aluminum wheels that complement the luxury styling of the EQS SUV.
