Overview
The Mercedes-Benz S 500 4MATIC AMG Line 03/2025 represents the pinnacle of executive luxury, advanced hybrid technology, and refined performance. %READMORE% Finished in elegant Obsidian Black and equipped with the AMG Line and Exclusive Leather packages, this flagship sedan delivers exceptional comfort, innovation, and commanding road presence.

Performance
Powered by a 3.0-liter hybrid engine with Integrated Starter Generator (ISG) and paired with a 9-speed automatic transmission, the S 500 offers smooth, effortless acceleration and impressive efficiency. The 4MATIC all-wheel-drive system and adaptive air suspension ensure outstanding stability and ride comfort in all conditions.

Interior and Comfort
The cabin is appointed with Black Nappa leather and premium finishes under the Leather Exclusive Package. Heated and ventilated seats, advanced climate control, and an automatic trunk lid system enhance daily convenience. The spacious interior provides a first-class travel experience for all occupants.

Technology and Safety
Equipped with the latest driver assistance systems including adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, and a 360-degree camera system, the S-Class ensures superior safety and confidence. The advanced

infotainment system supports navigation, Full-seg TV, and smartphone integration.

Exterior
The AMG Line enhances the elegant S-Class design with sportier styling cues and 20-inch AMG wheels. Adaptive LED headlights and the Obsidian Black finish emphasize its refined yet powerful character.
