Mercedes G-class , 2024

Mercedes-AMG G-Class G63 AMG – 08/2024

Exterior:
The **2024 Mercedes-AMG G63** retains its iconic boxy shape while blending classic G-Class design with bold AMG enhancements. Key elements include the signature Panamericana vertical-slat grille, prominent front bumper with enlarged air intakes, squared LED headlights, and visible external door hinges. The AMG variant stands out with 22-inch alloy wheels, dark chrome accents (as part of the optional Night Package), dual side-mounted exhaust tips, and a powerful, upright stance that reinforces its commanding presence.

Performance and Efficiency:
Under the hood lies a handcrafted 4.0-liter twin-turbocharged V8 petrol engine producing **585 horsepower (430 kW)** and **850 Nm of torque**. The G63 accelerates from 0 to 100 km/h in just **4.5 seconds**, remarkable for a full-size luxury SUV. It features a 9-speed AMG SPEEDSHIFT TCT automatic transmission and a permanent all-wheel-drive system (4MATIC) with a 40:60 rear-biased torque split. Three fully lockable differentials and AMG RIDE CONTROL adaptive suspension ensure outstanding performance on both asphalt and rugged terrain.

Interior and Features:
The cabin is richly appointed with **Nappa leather upholstery**, contrast stitching, carbon fiber or metal trim, and front seats with heating, ventilation, and massage functions. A dual-screen **12.3-inch MBUX display** serves as both the instrument cluster and infotainment interface, with support for **wireless Apple CarPlay and Android Auto**. Additional features include a panoramic roof, ambient lighting, rear-seat entertainment, a **Burmester premium surround sound system**, and head-up display.

Technology and Safety:
The G63 comes equipped with **adaptive cruise control**, **lane keeping assist**, **blind spot monitoring**, **360-degree cameras**, **automatic emergency braking**, **traffic sign recognition**, and **automated parking assistance**. AMG DYNAMIC SELECT offers various drive modes, including specialized off-road settings. This combination of brute power, luxurious appointments, and modern driver assistance tech makes the G63 both an urban icon and a trail-conquering beast.

Specifications:

ID: LBI-874
Final Price: 264000.00 EUR
Interior Color: White
Number of Seats: 5
Steering Side: Right
Condition: New
