Overview

This Mercedes-AMG GLE 53 4MATIC+ from 2024 is an off-road SUV with a mild hybrid powertrain (ISG-equipped) and a 3000cc engine, offered as a used car for sale through a professional used car dealer and car dealership. It represents a focused option for buyers considering a Mercedes-AMG GLE for sale and a premium car for sale in Cyprus.

Driving Performance

The vehicle is equipped with a 9-speed automatic transmission with column-mounted manual mode, air suspension, and a 4WD (4MATIC+) drivetrain. This configuration delivers dynamic performance, smooth power delivery, and controlled driving characteristics.

Interior and Equipment

The interior accommodates seven passengers across three rows of seating and is configured for luxury and everyday comfort. Featuring Red/Black genuine leather seats, seat ventilation, seat heating, Burmester sound system, and dual air conditioning, the cabin layout supports both daily use and long-distance travel.

Technologies and Assistants

Advanced safety and driver assistance systems are provided for controlled driving, including Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitor, Collision Mitigation Braking, Head-Up Display (HUD), and a 360° full-width camera system. They support the driver in typical urban and highway situations.

Exterior

The body is an off-road SUV finished in black. Its exterior presentation matches the sporty positioning of the Mercedes-AMG GLE 53 in Cyprus.
