Overview

The **Mercedes-Benz A-Class AMG A 45 S 4MATIC+ 05/2024** is a compact performance hatchback that delivers supercar-level power in a practical everyday package. [%READMORE%](#) Finished in striking Patagonia Red, this AMG model perfectly balances aggressive styling, cutting-edge technology, and daily usability.

Performance and Driving

At the heart of the A 45 S is a handcrafted 2.0-liter turbocharged engine, renowned as one of the most powerful four-cylinder production engines in the world. Paired with the AMG Performance 4MATIC+ all wheel-drive system, it offers exceptional traction, rapid acceleration, and precise handling. The 8-speed transmission provides lightning-fast gear changes, while active steering enhances agility and cornering confidence.

Interior and Comfort

The cabin combines sportiness with premium refinement. Electric heated seats ensure comfort in all seasons, while the Burmester surround sound system delivers immersive audio quality. The dual 10.25-inch-style display layout enhances connectivity and provides intuitive access to navigation and multimedia features.

Technology and Safety

Advanced driver assistance systems include Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, and Collision Mitigation Braking. Parking assist and rear camera support effortless maneuvering in urban environments.

Exterior

The bold Patagonia Red finish highlights the aggressive AMG design, complemented by

19-inch alloy wheels, logo brake calipers, and dual twin exhaust outlets. LED Adaptive headlights complete the athletic and modern appearance.
