Mercedes-Benz C-Class AMG C 43 4MATIC - 12/2024

Exterior:

The 2024 **Mercedes-Benz C-Class AMG C 43 4MATIC** combines aggressive performance with luxury and sleek design. Finished in an elegant **color** (specific color can be customized), this car features **19-inch AMG alloy wheels**, **AMG body styling** with front and rear bumpers designed for better aerodynamics, and **LED headlights** that provide both style and visibility. The **AMG sports grille** and **quad exhaust tips** complete the sporty yet refined look of the C 43.

Performance and Efficiency:

The **C 43 4MATIC** is powered by a **2.0-liter V6 biturbo engine** delivering **408 horsepower** and **500 Nm of torque**, providing exhilarating acceleration and a thrilling driving experience. The car is equipped with **4MATIC all-wheel drive**, ensuring superior grip and control on all surfaces, and **AMG SPEEDSHIFT TCT 9-speed automatic transmission**, delivering smooth and rapid shifts. With **AMG Performance Suspension**, the car ensures precise handling, while the powerful engine is tuned for both efficiency and performance.

Interior and Features:

Inside, the **C 43 4MATIC** boasts a high-performance cabin with **AMG sports seats** upholstered in premium **leather**. The cabin is equipped with the **MBUX infotainment system**, which includes a **10.25-inch display**, **Apple CarPlay**, and **Android Auto** integration. **Ambient lighting** enhances the luxurious feel, while **dual-zone climate control** ensures comfort for all passengers. The **AMG performance steering wheel** and **carbon fiber interior trim** highlight the car's sporty personality.

Technology and Safety:

The **C 43 4MATIC** features **Active Brake Assist**, **Blind Spot Assist**, **Lane Keeping Assist**, and **adaptive cruise control** for enhanced driver assistance. The car is also equipped with **360-degree camera**, **Parktronic** for easier parking, and **ATTENTION ASSIST** to monitor driver alertness during long drives. The **Pre-Safe system** adds an extra layer of protection, anticipating potential collisions.
