Mercedes-AMG GLE 53 4MATIC+ - 05/2024

Exterior:

The **2024 Mercedes-AMG GLE 53 4MATIC+** combines luxury SUV proportions with AMG's signature aggressive styling. It features the vertical-slat Panamericana grille, AMG front and rear bumpers with sporty diffusers, and quad exhaust outlets. The coupe-like roofline, LED lighting signature, and 21-inch AMG alloy wheels contribute to a commanding and performance-oriented presence on the road.

Performance and Efficiency:

Under the hood, the GLE 53 is powered by a **3.0-liter inline-6 turbocharged petrol engine** paired with an **electric auxiliary compressor** and a **48V mild-hybrid system (EQ Boost)**. It produces **435 horsepower (320 kW)** and **560 Nm of torque**, with the EQ Boost system briefly adding an extra 22 hp (16 kW) and 250 Nm during acceleration. Mated to a 9-speed AMG Speedshift TCT transmission and the **4MATIC+ all-wheel-drive system**, the SUV accelerates from 0 to 100 km/h in approximately 5.0 seconds. Average fuel consumption is around **9.3-9.7 L/100 km**.

Interior and Features:

Inside, the GLE 53 offers a blend of performance and premium comfort. It features AMG sports seats in Nappa leather, an AMG performance steering wheel, aluminum trim, and ambient lighting. The **MBUX dual-screen setup** includes a 12.3-inch digital instrument cluster and a 12.3-inch infotainment display with Apple CarPlay, Android Auto, and voice control. A panoramic sunroof, Burmester surround sound system, and heated front seats are standard, while options include ventilated massage seats and a third seating row.

Technology and Safety:

Advanced driver assistance features include **adaptive cruise control, lane keeping assist, blind spot monitoring, 360-degree cameras, active parking assist,** and **automatic emergency braking**. The 48V mild-hybrid system supports smooth start/stop transitions and regenerative braking. With air suspension and AMG Ride Control+, the GLE 53 balances sporty handling and ride comfort. This model delivers everyday luxury, long-distance comfort, and high-performance versatility in one package.
