Mercedes-Benz EQE 350+ AMG Line Package - 03/2024

Exterior

This EQE 350+ is finished in timeless **Black**, enhancing its bold and elegant character as a **luxury electric sedan**. The **AMG Line package** adds sportier accents, while the sleek body design and **panoramic roof** give the car a refined, futuristic presence.

Performance and Driving Dynamics

The EQE 350+ is powered by an advanced electric motor producing around **292 hp** and **565 Nm of torque**, delivering quiet yet powerful acceleration. Its efficient battery provides an excellent driving range, making it suitable for both city driving and long-distance travel. With **rear-wheel drive** and precision chassis tuning, it offers a perfect blend of agility, comfort, and stability.

Interior and Comfort

Inside, the EQE combines luxury and innovation. The cabin features **premium leather seats**, a **12-inch central display**, **Head-Up Display (HUD)**, and **multi-zone climate control**. The **Burmester premium sound system** ensures outstanding audio quality, while **wireless charging** and advanced ergonomics provide convenience and comfort for both driver and passengers.

Technology and Safety

This EQE 350+ comes with Mercedes-Benz's latest safety and assistance features, including a **360° multi-view camera system**, **adaptive cruise control**, **Blind Spot Monitor**, and **Pre-Collision Safety Package**. Additional equipment such as smart key access, ambient lighting, and modern infotainment ensures the highest level of safety and convenience for everyday use.
