Overview

The **Mercedes-Benz EQA 250 AMG Line 08/2023** is a stylish and fully electric premium SUV that combines advanced EV technology with AMG-inspired sportiness. %READMORE% Finished in elegant Denim Blue and equipped with the AMG Line package, this one-owner vehicle offers dynamic design, refined comfort, and cutting-edge safety systems, making it an ideal choice for modern electric mobility.

Driving Performance

The EQA 250 delivers smooth, instant electric torque for effortless acceleration and quiet operation. Its well-balanced chassis ensures a comfortable yet controlled ride, while regenerative braking enhances efficiency and driving range. The refined suspension and precise steering provide confidence in both city traffic and highway cruising.

Interior and Comfort

Inside, the cabin reflects Mercedes-Benz's premium craftsmanship. Exclusive leather upholstery, electrically adjustable seats with memory, and seat heating create a luxurious atmosphere. The advanced MBUX infotainment system with digital displays and Head-Up Display keeps key information within easy view, while dual-zone climate control ensures optimal comfort for all passengers.

Technology and Safety

Equipped with advanced driver assistance systems, the EQA includes Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, and Parking Assist with a 360° camera. LED adaptive headlights improve visibility, and seamless smartphone integration via Apple CarPlay and Android Auto enhances connectivity.

Exterior

The AMG Line package adds a sporty edge with distinctive styling elements and elegant aluminum alloy wheels. The Denim Blue finish enhances its modern presence, while the sleek LED lighting signature and aerodynamic body lines emphasize its progressive electric character.
