Mercedes-Benz G-Class G400d AMG Line Diesel Turbo 4WD – 02/2022

General Overview:
The 2022 Mercedes-Benz G400d AMG Line is a luxury SUV that blends the legendary G-Class design with modern performance and comfort. Finished in a bold, rugged aesthetic and built on a strong ladder-frame chassis, this G-Class retains its iconic shape while adding AMG styling elements that enhance its road presence. Its commanding silhouette is matched with powerful engineering, making it equally suited for city cruising and off-road challenges.

Performance and Efficiency:
At its core, the G400d is powered by a **3.0-liter** inline-six turbocharged diesel engine producing **330 horsepower** and a massive 700 Nm of torque. Paired with a 9-speed automatic transmission and the 4MATIC permanent all-wheel-drive system, the G400d delivers strong acceleration and superior grip in all conditions. It sprints from 0 to 100 km/h in just 6.4 seconds, with a top speed of 210 km/h. Despite its size and strength, it maintains respectable fuel efficiency, averaging around 9.6 liters per 100 km.

Interior and Features:
Inside, the G400d offers a spacious and luxurious cabin adorned with premium leather, metal accents, and modern tech. It features a widescreen cockpit with dual 12.3-inch displays, the MBUX infotainment system with voice control, and a high-end Burmester surround sound system. Comfort is enhanced with ambient lighting, heated and ventilated seats, and a panoramic sunroof. The commanding driving position and high-quality materials throughout create a sense of elegance and power.

Safety and Driver Assistance:
The G400d comes equipped with a full suite of advanced safety and driver-assistance systems. These include ABS, multiple airbags, electronic stability control, active lane-keeping assist, blind-spot monitoring, adaptive cruise control, and a 360-degree camera system. Together, they provide peace of mind and added confidence whether navigating tight urban streets or remote terrain.
