Mercedes-Benz SL-Class AMG SL43 - 02/2023

Exterior:

The **AMG SL43 Roadster** in **elegant white** delivers a striking balance of sportiness and sophistication. It features **AMG's signature design** language with a long sculpted hood, aggressive front grille, aerodynamic side skirts, and quad exhaust outlets. A fully automatic soft-top roof allows seamless transformation between coupe-like refinement and open-air freedom at the push of a button. Completing the dynamic look are 20-inch AMG alloy wheels and High Performance LED headlights.

Performance:

Powered by a **2.0-liter inline-4 turbocharged petrol engine** paired with a **48-volt mild hybrid system (BSG)**, the **SL43** produces **381 hp**. The AMG-tuned automatic transmission combined with rear-wheel drive delivers sharp acceleration, precise handling, and a refined driving experience. The mild hybrid technology enhances both performance and efficiency, making it equally suitable for spirited drives and relaxed cruising.

Interior and Comfort:

Inside, the cabin is appointed with premium **AMG sport seats**, advanced infotainment, and a high-end **Burmester Surround Sound System** for an immersive audio experience. Key features include factory navigation, Apple CarPlay, a multifunction steering wheel, and dual-zone climate control. The driver-focused cockpit blends luxury materials with performance-oriented ergonomics.

Technology and Safety:

Equipped with modern driver assistance systems such as multiple airbags, ABS, stability control, parking sensors, and a high-definition rear camera, the SL43 prioritizes both safety and convenience. AMG's performance braking system and the roadster's rigid structure ensure stable handling and confident braking.
