Mercedes SL-class , 2023

Mercedes-Benz SL-Class AMG SL43 – 01/2023

Exterior:
This **AMG SL43 Roadster** is finished in an exclusive **Patagonia Red**, delivering a striking and sporty appearance. The body features AMG-specific styling with a long sculpted hood, aggressive front grille, aerodynamic side skirts, and quad exhaust tips. A fully automatic soft-top roof allows for open-air driving at the touch of a button. 20-inch AMG alloy wheels and LED high-performance headlights complete its dynamic look.

Performance:
Powered by a **2.0-liter inline-4 turbocharged petrol engine** with a **48V mild-hybrid system (BSG)**, the SL43 produces **381 hp**. Paired with a smooth AMG-tuned automatic transmission and rear-wheel drive, it offers responsive acceleration and balanced handling. The mild-hybrid boost improves both performance and efficiency.

Interior and Comfort:
The cabin features premium materials and craftsmanship, with AMG sport seats, advanced infotainment, and a **Burmester Surround Sound System** for exceptional audio quality. Equipment includes the factory navigation system, head-up display, and dual-zone climate control. The interior layout blends sportiness with luxury, offering both driver engagement and long-distance comfort.

Technology and Safety:
Equipped with advanced driver assistance systems, including multiple airbags, ABS, stability control, parking sensors, and a high-definition rear camera. The AMG braking system and rigid body structure ensure both performance and safety.
