Overview
The Mercedes-Benz EQE 350+ 01/2024 is a premium all-electric sedan combining AMG Line styling, advanced technology, and refined comfort. %READMORE% Finished in Obsidian Black [197], this Mercedes-Benz EQE for sale offers impressive electric range, smooth rear-wheel-drive performance, and luxury features, available through our car dealership in Cyprus.

Driving Performance
The EQE 350+ delivers smooth and quiet acceleration with instant electric torque. Rear-wheel drive ensures balanced handling, while Mercedes-Benz engineering provides a refined and stable ride suitable for both city driving and long-distance travel.

Interior and Equipment
The cabin comfortably seats 5 passengers and features genuine leather seats with heating and ventilation. The AMG Line and Exclusive Package enhance interior styling, while the panoramic sliding roof creates a spacious and premium atmosphere.

Technologies and Assistants
Equipped with Collision Mitigation Braking, Lane Keep Assist, Parking Assist, 360° camera system, and advanced safety technologies. The Energizing Package, digital displays, and integrated navigation system provide modern connectivity and driving convenience.

Exterior
The Obsidian Black [197] exterior emphasizes the sleek and aerodynamic sedan profile. AMG Line design elements, LED headlights, and aluminum wheels complete the elegant and sporty appearance.
