

Mercedes E-class , 2017

Mercedes-Benz E-Class 2.0L - 2017

General Overview

This **Mercedes-Benz E-Class 2.0L (2017)** stands as a refined example of timeless design and German engineering excellence. Maintained in **immaculate condition**, the vehicle has been **ceramic polished inside and out**, giving it a deep, glossy finish and long-lasting protection. With a **full service history**, **new timing belts**, and premium **Michelin tyres**, this E-Class has been cared for to the highest standard — ready to deliver comfort, performance, and prestige.

Performance and Driving Experience

Powered by a **2.0-liter petrol engine**, the E-Class combines smooth acceleration with quiet efficiency. The advanced automatic transmission ensures refined power delivery and effortless cruising, while the suspension system balances comfort and precision — ideal for both city driving and long-distance travel.

Interior and Comfort

Inside, the cabin embodies Mercedes-Benz luxury with **leather seats**, **heated front seats**, and **dual-zone climate control** ensuring year-round comfort. Convenience features include **keyless start**, **cruise control**, **start/stop function**, and **folding mirrors**, while the infotainment system supports **Apple CarPlay** for seamless connectivity.

Technology and Safety

Safety and practicality are enhanced with **front and rear parking sensors** and a **rear-view camera**, ensuring effortless maneuvering. **Alloy wheels** add a touch of elegance and stability to the exterior design. With its meticulous maintenance, flawless presentation, and proven reliability, this **2017 Mercedes-Benz E-Class 2.0L** offers an exceptional opportunity to own a luxury sedan that feels as sophisticated as the day it left the factory.
