Mercedes-Benz GLE 400d 4Matic Sport Diesel Turbo 4WD - 08/2021

General Overview

The Mercedes-Benz GLE 400d 4Matic Sport is a luxury SUV that perfectly balances dynamic diesel performance with everyday comfort and safety. Produced in **08/2021**, this model is equipped with the **Radar Safety Package**, ensuring advanced driver assistance and peace of mind. Combining German precision engineering with versatile practicality, it stands out as a premium choice in the SUV segment.

Performance and Driving Dynamics

At its heart lies a **2.9-liter inline-6 turbocharged diesel engine** delivering **330 horsepower and 700 Nm of torque**, paired with a **4Matic all-wheel-drive system**. This setup ensures effortless acceleration, impressive towing power, and superior stability across all terrains. The inclusion of ABS, traction control, and cruise control enhances confidence, while the diesel efficiency allows long-distance cruising with ease.

Exterior Design

The Sport trim emphasizes a strong and athletic character, highlighted by **LED headlights, aluminum alloy wheels, roof rails, and a fully painted aerodynamic body**. Every line of the GLE conveys both strength and sophistication, while its commanding stance reflects the true spirit of a premium SUV.

Interior and Comfort

Inside, the GLE offers a **luxurious leather interior** with **electric and heated seats**, Smart Key access, multifunction steering wheel, and advanced climate control. Passenger comfort is further enhanced by spacious seating arrangements and refined finishes, making every journey relaxing and premium.

Technology and Safety

Equipped with the **Radar Safety Package**, the GLE integrates advanced systems such as **collision mitigation braking, lane keep assist, blind-spot monitoring, and obstacle sensors**. For convenience and entertainment, it includes a **car navigation system with HDD, TV functionality, and Apple CarPlay/Android Auto support**. Additional safety is provided through multiple airbags, anti-theft devices, and a rearview camera.
