Mercedes-Benz E220d Sport - 03/2022

Exterior:

The **2022 Mercedes-Benz E220d Sport** presents timeless elegance with a sleek sedan profile, finished in a refined metallic tone. Its aerodynamic design is complemented by chrome window surrounds, a distinctive Mercedes grille, and sharp character lines along the body. Adaptive LED headlights with automatic high beam ensure superior visibility, while stylish 18-inch alloy wheels complete the premium look. A glass sunroof adds an extra touch of sophistication, allowing natural light into the cabin.

Performance and Driving Dynamics:

At its heart lies a **2.0-liter turbocharged diesel engine delivering 194 hp**, paired with Mercedes' smooth **9G-TRONIC automatic transmission**. The E220d offers excellent balance between performance and fuel efficiency, making it ideal for both city driving and long-distance cruising. Features such as **adaptive cruise control**, **lane keep assist**, and **hill descent control** enhance driving confidence, while the stable chassis and responsive handling provide comfort and assurance on every journey.

Interior and Comfort:

The interior embodies Mercedes' signature luxury with **genuine leather seats**, full electric adjustment, and heating for added comfort. **Dual-zone automatic climate control** ensures a pleasant environment for all occupants. The driver benefits from a multifunction steering wheel, memory function, and keyless start for convenience. Premium details such as a leather-trimmed gear selector, ambient lighting, and refined trim finishes create a truly upscale atmosphere.

Technology and Safety:

This E220d Sport comes equipped with advanced driver assistance systems, including a **360° camera with blind spot monitoring**, **collision mitigation braking**, **anti-skid control**, and a suite of airbags for all-round safety. The integrated Apple CarPlay and Android Auto setup keep journeys connected and enjoyable, while adaptive headlights, parking sensors, and anti-theft systems further underline the vehicle's practicality and security.
