Overview

The Mercedes-Benz S 500 4MATIC AMG Line 05/2025 sets a new benchmark in executive luxury, innovation, and hybrid performance. %READMORE% Finished in elegant Obsidian Black and equipped with Rear Comfort and Exclusive packages, this flagship sedan delivers first-class rear passenger experience, intelligent all-wheel drive, and cutting-edge Mercedes-Benz technology — now available at our Cyprus car dealership.

Performance and Driving Experience

Powered by a refined 3.0-liter hybrid engine paired with a smooth 9-speed automatic transmission, the S 500 provides effortless acceleration and exceptional ride comfort. The 4MATIC all-wheel drive system ensures superior traction and stability, while AIRMATIC air suspension adapts to road conditions for a perfectly balanced driving experience.

Luxury Interior and Rear Comfort

The Rear Comfort Package and MBUX Rear Entertainment System transform the back seats into a premium lounge environment. Genuine leather upholstery, heated and ventilated seats, active ambient lighting, and dual-zone climate control provide maximum comfort for all passengers. The 3D digital cockpit and augmented reality head-up display offer intuitive control and futuristic interaction.

Safety and Assistance Systems

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking,

blind spot monitoring, parking assist, and a 360° camera system, this S-Class ensures top-level safety and confidence on every journey. LED adaptive headlights enhance visibility in all driving conditions.

Exterior

The AMG Line styling adds dynamic elegance with sporty design elements and aluminum wheels. The Obsidian Black finish highlights the S-Class's timeless silhouette, while the panoramic sunroof enhances both the exterior appeal and the luxurious cabin atmosphere.
