Overview

The Mercedes-Benz S 580 4MATIC 05/2025 delivers flagship-level power, refinement, and advanced technology in a full-size luxury sedan. %READMORE% Finished in elegant Gray and powered by a 4.0-liter gasoline engine, this S-Class combines smooth V8 performance with intelligent 4MATIC all-wheel drive — offering supreme comfort and confidence on every journey.

Performance and Driving Dynamics

At the heart of the S 580 is a powerful 4.0L engine producing effortless acceleration and refined performance. The 9-speed automatic transmission ensures seamless gear transitions, while the 4MATIC all-wheel drive system enhances stability and traction in various road conditions. The AIRMATIC air suspension system continuously adapts to deliver a smooth and composed ride.

Interior Comfort and Technology

The cabin is designed for ultimate executive comfort, featuring genuine leather upholstery, heated and ventilated seats, rear seat monitor, and dual-zone climate control. Advanced infotainment and navigation systems provide seamless connectivity, while the digital driver display ensures intuitive control of vehicle functions.

Safety and Assistance Systems

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a 360° camera system, the S 580 ensures top-tier safety. Adaptive LED headlights and front fog lamps provide optimal visibility in all driving conditions.

Exterior

The refined Gray finish enhances the S-Class's elegant silhouette. LED adaptive headlights, aluminum wheels, and a panoramic sunroof add both sophistication and presence, reinforcing the model's status as a premium luxury sedan.
