Mercedes-Benz EQE 350+ AMG Line Package – 10/2022

Exterior
This EQE 350+ is finished in sophisticated **Opal White**, showcasing the elegant proportions and aerodynamic design of Mercedes' premium **electric luxury sedan**. The **AMG Line package** adds a sporty edge to its appearance, while the **panoramic roof** and flowing silhouette highlight its futuristic and refined character.

Performance and Driving Dynamics
The EQE 350+ is equipped with a powerful electric motor delivering around **292 hp** and **565 Nm of torque**, providing smooth, silent, and responsive performance. Its advanced battery technology ensures excellent driving range, making it equally suitable for city use and long-distance travel. The **rear-wheel drive configuration** combined with precise chassis tuning offers an ideal balance of efficiency, stability, and comfort.

Interior and Comfort
Inside, the EQE 350+ blends high-end luxury with modern innovation. The cabin features **premium leather seating**, **panoramic sliding roof**, **Head-Up Display (HUD)**, and **multi-zone climate control**. Passengers benefit from a spacious interior with ergonomic design, while the **Burmester premium audio system** delivers a concert-like sound experience.

Technology and Safety
Advanced Mercedes-Benz safety and driver-assistance systems include a **360° camera system**, **Blind Spot Assist**, **Pre-Collision Safety Package**, and **adaptive cruise control**. Additional features such as smart keyless entry, ambient lighting, and intuitive infotainment make the EQE 350+ both safe and highly convenient for everyday use.
