Mercedes E-class , 2024

Mercedes-Benz E-Class E220 d Avantgarde AMG Line – 07/2024

General Overview
The **Mercedes-Benz E220 d Avantgarde AMG Line (ISG model)** represents the perfect combination of efficiency, prestige, and cutting-edge technology. Produced in **07/2024** and finished in a sophisticated **Velvet Brown** with a **Brown Exclusive Leather interior**, this sedan delivers elegance with a sporty edge. Enhanced by the AMG Line package, it features dynamic styling and advanced premium features, setting a new benchmark in the executive sedan class.

Performance and Driving Dynamics
At its core, the E220 d is powered by a **2.0-liter turbocharged diesel engine with ISG mild-hybrid technology**, ensuring smooth power delivery and excellent fuel efficiency. Producing **194 horsepower**, the engine is paired with an automatic transmission that delivers refined and efficient performance. The drive is complemented by **adaptive systems such as ABS, radar-based safety assist, lane keep assist, parking assist, collision mitigation braking, and automatic high beam**, providing maximum safety and comfort in both city and highway driving.

Exterior Design
With the **AMG Line Package**, the E220 d gains a sportier and more dynamic presence. Features include **LED headlights, AMG-style aluminum wheels, aerodynamic AMG styling accents, and a glass sunroof**, enhancing both aesthetics and functionality. Its sleek proportions and refined detailing highlight the balance between elegance and athleticism.

Interior and Comfort
The cabin is elevated by the **Leather Exclusive Package** in **Brown (Velvet Brown)**, offering genuine leather seats with electric adjustment and heating, Smart Key access, and a multifunction steering wheel. The **Digital Interior Package** adds fully digital displays and MBUX integration, creating a high-tech, driver-focused environment. Designed for comfort, the spacious interior combines craftsmanship, ergonomics, and modern luxury.

Technology and Safety
Equipped with the **Radar Safety Package**, the E220 d ensures comprehensive protection with systems such as **adaptive cruise control, blind-spot monitoring, all-around cameras, obstacle sensors, anti-theft devices, and multiple**

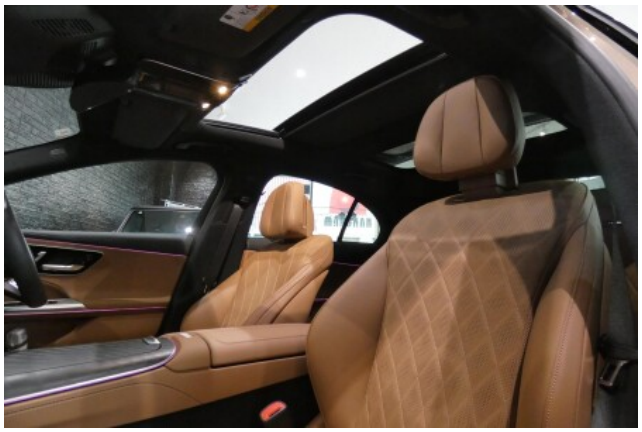

airbags. The infotainment suite includes **HDD navigation, Display Audio with Apple CarPlay/Android Auto, and dashcam support**, ensuring seamless connectivity. Together with the Digital Interior Package, this E-Class blends advanced safety, luxury, and digital convenience at the highest level.
