Overview
The **Mercedes-Benz GLA-Class AMG GLA 45 S 4MATIC+ 05/2022** is a high-performance compact SUV that delivers true AMG driving excitement in a practical five-door body. %READMORE% Finished in sophisticated Mountain Gray and equipped with AMG’s advanced 4MATIC+ system, this model combines aggressive styling, cutting-edge technology, and everyday usability.

Performance and Driving
Powered by a handcrafted 2.0-liter turbocharged engine, the AMG GLA 45 S offers explosive acceleration and razor-sharp throttle response. The AMG Performance 4MATIC+ all-wheel-drive system intelligently distributes torque between the axles for maximum grip and dynamic cornering. The 8-speed transmission ensures rapid and smooth gear changes, while the AMG Drive Control system allows personalized driving modes.

Interior and Comfort
The Titanium Grey genuine leather interior creates a sporty yet premium atmosphere. Heated seats, electric seat adjustment, and a panoramic sliding roof enhance comfort and luxury. The Burmester surround sound system delivers exceptional audio clarity for every journey.

Technology and Safety
Advanced driver assistance systems include Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, and Collision Mitigation Braking. Multibeam LED headlights

provide optimal visibility, while the surround camera system and parking assist ensure easy maneuvering in tight spaces.

Exterior
The muscular AMG styling is highlighted by Mountain Gray paintwork, distinctive AMG body elements, and dual twin exhaust mufflers. Its athletic stance and performance-focused design clearly reflect its AMG heritage.
