Overview

This Mercedes-Benz G-Class G400d from model year 2023 is an iconic off-road SUV equipped with a 3.0L turbocharged diesel engine. It represents a prestigious, rugged, and high-performance option for luxury SUV buyers.

Driving Performance

The vehicle is equipped with a 9-speed automatic transmission with column-mounted manual mode and a robust 4WD drivetrain featuring differential locks and hill descent control. This configuration delivers exceptional off-road capability alongside refined highway cruising dynamics.

Interior and Equipment

The cabin comfortably accommodates five passengers with top-tier luxury appointments. It features genuine leather seating, heated electric front seats, dual-zone climate control, keyless entry with smart key, and an advanced HDD navigation system with Full-segment TV and music streaming capabilities.

Technologies and Assistants

A comprehensive suite of modern safety and driver assistance technologies is included . Systems such as Adaptive Cruise Control, Lane Keep Assist, collision mitigation braking, parking assist with 360-degree cameras and obstacle sensors, and blind-spot monitoring ensure maximum confidence in all traffic conditions.

Exterior

The classic 5-door off-road SUV body is finished in Opalis White. The rugged exterior presentation is complemented by adaptive LED headlights, a glass sunroof, and stylish alloy wheels.
