MINI ONE 3-door First Package DCT – 04/2024

General Overview:
The 2024 MINI ONE 3-door in **Melting Silver III (C6B)** is a compact urban hatchback that blends British charm with practical efficiency. Positioned as the entry point to the MINI lineup, this model offers iconic styling, fun-to-drive dynamics, and a premium feel in a small and accessible package. The First Package adds modern convenience and comfort features, making it a well-equipped option for city life.

Performance and Handling:
Powered by a **1.5-liter 3-cylinder turbocharged petrol engine**, the MINI ONE delivers a responsive **102 horsepower** and 190 Nm of torque. It's paired with a **7-speed dual-clutch transmission (DCT)** that ensures smooth acceleration and crisp gear changes. The front-wheel-drive layout and compact chassis provide agile, go-kart-like handling — a signature MINI driving experience.

Interior and Features:
Inside, the car offers a driver-focused cabin with smart use of space and quality materials. The First Package includes LED ambient lighting, automatic climate control, and a central infotainment screen compatible with smartphone connectivity via Bluetooth. The seating is supportive, and the controls are intuitive, giving the interior a youthful and premium vibe despite the compact dimensions.

Safety and Assistance Systems:
The MINI ONE 3-door is equipped with essential safety features such as ABS, electronic stability control, multiple airbags, and rear parking sensors. LED headlights and daytime running lights come standard, improving visibility and road presence, especially during nighttime or poor weather conditions.

Exterior Design:
The **Melting Silver III** exterior color enhances the MINI's classic shape with a refined metallic finish. With short overhangs, a wide stance, and 3-door proportions, the car retains its timeless MINI look while feeling fresh and modern. LED lighting elements, signature round headlamps, and Union Jack-themed taillights give it a distinctive and confident road presence.
