

Mitsubishi Eclipse Cross , 2022

Mitsubishi Eclipse Cross 1.5G SD - 01/2022

Exterior:

The 2022 **Mitsubishi Eclipse Cross 1.5G SD** showcases a modern and dynamic design, featuring a distinctive front grille and sleek lines that enhance its sporty appearance. The vehicle's compact size and elevated ground clearance make it well-suited for both urban driving and light off-road adventures.

Performance and Efficiency:

Powered by a **1.5L turbocharged petrol engine**, the Eclipse Cross delivers a balance of performance and fuel efficiency. The engine is paired with a **CVT transmission**, providing smooth acceleration and responsive handling. This combination ensures a comfortable driving experience, whether navigating city streets or cruising on highways.

Interior and Features:

Inside, the Eclipse Cross offers a spacious and comfortable cabin, equipped with modern amenities. The **8-inch touchscreen infotainment system** supports **Android Auto** and **Apple CarPlay**, allowing seamless integration with smartphones. Additional features include **dual-zone climate control**, **cruise control**, and a **rearview camera**, enhancing convenience and comfort for both the driver and passengers.

Technology and Safety:

The 2022 Eclipse Cross comes equipped with a suite of safety features designed to protect occupants. These include **Forward Collision Mitigation**, **Lane Departure Warning**, and **Blind Spot Warning**, among others. These technologies work together to provide a safer driving experience, helping to prevent accidents and ensuring peace of mind on the road.
