

Mitsubishi Outlander , 2023

Mitsubishi Outlander PHEV 2.4 Black Edition 4WD - 05/2023

General Overview:

The 2023 Mitsubishi Outlander PHEV 2.4 Black Edition, finished in a bold **Black Mica** color, offers a sophisticated and efficient **plug-in hybrid experience combined with rugged 4WD capability**. As one of Mitsubishi's flagship models, the Outlander PHEV blends practicality, eco-friendly technology, and premium styling, especially in this exclusive Black Edition trim.

Performance and Efficiency:

This model is powered by a **2.4-liter petrol engine** paired with front and rear electric motors, creating an advanced plug-in hybrid system. Combined output delivers excellent power while optimizing fuel efficiency and minimizing emissions. The Super All-Wheel Control (S-AWC) 4WD system enhances traction and stability on a variety of surfaces, and multiple driving modes adapt performance for city commuting, rough terrain, or full EV-only operation. The smooth plug-in hybrid system offers a seamless balance between electric range and petrol power, ideal for daily drives and long journeys alike.

Interior and Features:

Inside, the Outlander PHEV Black Edition impresses with premium materials and thoughtful technology. Black leather upholstery and subtle dark accents create a modern, elegant cabin atmosphere. Key features include a large 9-inch touchscreen navigation system, Apple CarPlay and Android Auto compatibility, an electric rear tailgate for easy access, and an all-around camera system providing a 360-degree view for stress-free parking and maneuvering. Heated front seats, a multifunction steering wheel, and a customizable digital driver display add comfort and convenience.

Safety and Assistance Systems:

Mitsubishi equips the Outlander PHEV with a comprehensive safety suite, including forward collision mitigation, lane departure warning, adaptive cruise control, blind-spot monitoring, and rear cross-traffic alert. The all-around view monitor significantly enhances driver confidence, while multiple airbags, ABS, and stability control ensure a high standard of occupant protection.

Exterior Design:

The **Black Mica** finish enhances the bold, sculpted exterior, complemented by Black Edition exclusive design touches such as black alloy wheels, black front grille, and dark

exterior accents. LED headlights, sleek body lines, and a commanding stance give the Outlander PHEV a dynamic and modern road presence, making it stand out among both hybrids and SUVs.
