

Mitsubishi Eclipse Cross , 2021

Mitsubishi Eclipse Cross PHEV G - 09/2021

Exterior:

The 2021 **Mitsubishi Eclipse Cross PHEV G** features a modern and dynamic design, characterized by expressive body lines and a distinctive front grille. Its compact dimensions and elevated ground clearance make it ideal for urban driving and light off-road adventures.

Performance and Efficiency:

Equipped with a **2.4L Atkinson-cycle petrol engine** paired with two electric motors (front and rear), the Eclipse Cross PHEV G delivers a combined system output of **188 hp (138 kW)**. The 13.8 kWh lithium-ion battery provides an electric-only driving range of up to **55 km (WLTP)**. The vehicle employs Mitsubishi's **Super All-Wheel Control (S-AWC)** system, ensuring optimal traction and stability across various driving conditions.

Interior and Features:

Inside, the Eclipse Cross PHEV G offers a spacious and comfortable cabin with high-quality materials. Standard features include **leather-appointed seats**, **8-way power-adjustable driver's seat**, and **dual-zone climate control**. The **8-inch touchscreen infotainment system** supports **Apple CarPlay** and **Android Auto** for seamless smartphone integration. Additional amenities include **heated front seats**, **keyless entry**, and a **rearview camera**.

Technology and Safety:

The 2021 Eclipse Cross PHEV G is equipped with advanced safety technologies, such as **Adaptive Cruise Control (ACC)**, **Forward Collision Mitigation (FCM)**, **Lane Departure Warning (LDW)**, **Blind Spot Warning (BSW)**, and **Rear Cross Traffic Alert (RCTA)**. These features work together to enhance driver confidence and safety on the road.
