

Mitsuoka Buddy , 2022

Mitsuoka Buddy 20ST - 08/2022

General Overview

The **Mitsuoka Buddy** is a **retro-styled SUV**, based on the Toyota RAV4, but redesigned with an American-inspired design reminiscent of classic Chevrolet SUVs of the 1980s. This example, produced in **08/2022**, comes in **Pearl White Crystal Shine** with a **gray interior**, blending rugged retro looks with modern comfort and reliability.

Performance and Driving Experience

This version, the **20ST**, is powered by a **2.0-liter gasoline engine** delivering **171 horsepower** and **207 Nm of torque**, paired with an **automatic transmission (AT)**. The **front-wheel drive (2WD)** layout provides smooth and efficient driving for daily use, while still retaining the bold SUV presence. Its balance of power and refinement makes it suitable for both urban and long-distance driving.

Interior and Features

The cabin seats **five passengers** and is equipped with a wide range of modern features, including a **9-inch memory navigation system with Bluetooth, full-seg TV tuner, rear-view camera, and LED interior lighting**. Additional details include premium upholstery, comfort-oriented seating, and retro-styled trim pieces that highlight Mitsuoka's unique character.

Technology and Safety

Safety and convenience features include **Pre-Crash Safety system, adaptive cruise control**, and **auto high beam** functionality. The vehicle is also fitted with a **drive recorder (dashcam)** and **17-inch alloy wheels**, completing the blend of retro-inspired design with cutting-edge safety and driving support systems.
