

Mitsuoka Buddy , 2024

Mitsuoka Buddy Hybrid DX - 03/2024

General Overview

The Mitsuoka Buddy Hybrid DX is a retro-inspired SUV that combines the rugged American styling of the 1980s with the advanced engineering of the **Toyota RAV4 Hybrid**. This example, produced in **03/2024**, is finished in a sleek **Black exterior with a matching black interior**, offering a bold and refined appearance. With an auction grade of **5**, it is in excellent condition and close to new.

Performance and Hybrid Efficiency

Equipped with a **2.5-liter hybrid engine** paired with a **CVT automatic transmission**, the Buddy Hybrid DX delivers a system output of approximately **218 horsepower**. The hybrid drivetrain ensures smooth acceleration, improved fuel economy, and lower emissions, making it both powerful and eco-friendly. With **front-wheel drive (2WD)**, it is designed for practical, everyday usability while still maintaining a strong SUV presence.

Interior and Features

The cabin accommodates **five passengers** in premium comfort with **leather seats, heated and ventilated seating (seat aircon)**, and a **multifunction steering wheel**. A **large display audio system with TV, Bluetooth, and full-segment reception** enhances convenience and entertainment. Additional features include a **power back door, rear-view camera**, and modern storage solutions, blending practicality with premium touches.

Technology and Safety

The Buddy Hybrid DX comes equipped with advanced driver assistance and safety systems such as **cruise control, lane assist, parking sensors, ABS, airbags, and stability control**.
