Nissan Skyline , 2023

Nissan Skyline GT Type SP – 12/2023

Exterior:
The **2023 Nissan Skyline GT Type SP** blends aggressive styling with luxury sedan proportions. It features a bold front fascia with signature V-motion grille, LED headlights with DRLs, sculpted body lines, and a rear lip spoiler. The Type SP trim includes sporty exterior enhancements like 19-inch alloy wheels, chrome exhaust finishers, and aerodynamic side skirts, giving the vehicle a more performance-oriented appearance.

Performance and Efficiency:
This Skyline is powered by a **3.0-liter twin-turbocharged V6 petrol engine**, producing **304 horsepower (225 kW)** and **400 Nm of torque**. Power is sent to the rear wheels via a 7-speed automatic transmission with paddle shifters. The setup delivers smooth, linear acceleration, with a 0–100 km/h time of approximately 5.5 seconds. Despite its performance, it maintains reasonable efficiency for its class, with an average fuel consumption of about 9.3 L/100 km.

Interior and Features:
Inside, the Type SP offers a premium cabin with leather upholstery, power-adjustable sport seats (with heating and cooling), and aluminum trim accents. The dual-screen infotainment system integrates an 8-inch upper display for navigation and a 7-inch lower touchscreen for climate and media. The vehicle includes Apple CarPlay, Android Auto, a Bose premium sound system, dual-zone climate control, and a sunroof.

Technology and Safety:
The Skyline GT Type SP comes equipped with Nissan’s ProPILOT driver assistance suite, including adaptive cruise control, lane keep assist, and traffic sign recognition. Safety features include a 360-degree camera, rear cross-traffic alert, blind-spot monitoring, forward emergency braking, and intelligent parking sensors. The advanced chassis control system ensures enhanced handling stability during cornering and braking.

Specifications:

ID: AOF-300
Final Price: 34800.00 EUR
Interior Color: Brown

Number of Seats: 5
Steering Side: Right
Condition: New
