Nissan Skyline , 2024

Nissan Skyline 3.0 GT Type SP – 05/2024

Overview:
The **2024 Nissan Skyline 3.0 GT Type SP** is a performance-oriented luxury sedan that combines cutting-edge technology with dynamic design. Finished in **Dark Metallic Gray**, this vehicle makes a bold statement on the road. With features like **Genuine Navigation**, **TV**, and **Genuine Leather Seats**, the Skyline offers both comfort and advanced technology for an exceptional driving experience.

Exterior:
The **Dark Metallic Gray** exterior adds a sleek and sophisticated look to the Nissan Skyline. It rides on **21-inch alloy wheels – Light – 918 M Double Spoke with mixed tyres**, ensuring a sporty and refined appearance. The car is equipped with advanced systems like the **Around View Monitor** and **Dashcam**, enhancing safety and convenience while driving.

Performance and Efficiency:
Powered by a **3.0-liter V6 engine**, the Skyline delivers impressive performance with **304 horsepower** and **474 Nm of torque**. The vehicle is equipped with **ATTESA E-TS** all-wheel drive, providing superior stability and handling. The **M Adaptive Suspension Pro** ensures a smooth and responsive driving experience.

Interior and Features:
Inside, the **Nissan Skyline 3.0 GT Type SP** features **Genuine Leather Seats** in **Fiona Red-Black**, offering both luxury and comfort. The car also includes a **multimedia system with Genuine Navigation** and **TV**, **Apple CarPlay**, and **Android Auto** for seamless connectivity. **M multifunctional seats** for the driver and front passenger provide superior comfort, while **heated front seats** add to the overall driving experience.

Technology and Safety:
The **Nissan Skyline 3.0 GT Type SP** is packed with advanced safety features such as **adaptive cruise control**, **lane-keeping assist**, and **blind-spot monitoring**. The **Around View Monitor** and **Dashcam** provide added convenience and security, while the **Active Protection** system ensures the safety of all passengers.

Convenience:
The car includes **keyless entry**, a **power tailgate**, and **climate control** with four-

zone settings. The **wireless charging tray** ensures that your devices are always powered, while the **panoramic roof** adds to the feeling of openness and luxury.
