

Nissan Ariya , 2023

Nissan Ariya B6 - 12/2023

Exterior

This Nissan Ariya comes in an elegant **Gray Metallic** finish, emphasizing its futuristic and premium crossover SUV design. With its aerodynamic body lines, wide stance, and refined proportions, it projects a strong and modern presence on the road.

Performance and Driving Dynamics

The Ariya B6 is equipped with a **66 kWh battery pack**, delivering around **218 hp** with smooth, silent acceleration and excellent efficiency. Paired with an automatic transmission and **front-wheel drive**, it ensures a balanced combination of performance, comfort, and range, making it ideal for both city commutes and long-distance driving.

Interior and Comfort

Inside, the Ariya offers a lounge-like atmosphere with a minimalist design and spacious cabin. Equipped with **smart key with push start**, **dual-zone climate control**, and premium comfort features, it ensures convenience for both driver and passengers. The flat floor design enhances legroom and usability, making it practical and comfortable.

Technology and Safety

This model is loaded with advanced features, including **360° camera system**, **parking sonar**, **ESC (Electronic Stability Control)**, **collision mitigation system**, **lane departure prevention**, **adaptive cruise control**, and **ProPILOT driver assistance**. Additional highlights include **front and rear cameras**, **automatic emergency braking**, and a wide suite of airbags, providing top-level safety and convenience.
