Nissan Ariya , 2022

Nissan Ariya B6 Limited – 03/2022

Exterior
This **Nissan Ariya** is finished in an elegant **Pearl White**, showcasing its futuristic crossover SUV design. With bold lines, a wide stance, and aerodynamic proportions, the Ariya delivers a modern and premium look that reflects Nissan’s latest EV design language.

Performance and Driving Dynamics
Equipped with a **66 kWh (B6) battery pack**, the Ariya B6 Limited delivers smooth and silent electric performance. Power is sent through a **front-wheel drive system** paired with an automatic transmission. It produces around **218 hp** and ensures responsive acceleration, excellent road grip, and refined comfort for daily driving and long-distance travel.

Interior and Comfort
The cabin combines advanced technology with Japanese-inspired minimalism. Features include **premium Bose audio**, **leather seats**, and **dual-zone climate control**. The flat-floor design and spacious interior create a lounge-like atmosphere, offering excellent comfort for all passengers.

Technology and Safety
Packed with advanced technology, the Ariya B6 Limited comes with **ProPILOT driver assistance**, **360° camera system**, **adaptive cruise control**, **head-up display**, **digital rearview mirror**, and a **large infotainment system with Google navigation & Apple CarPlay**. Additional features such as collision mitigation system, parking sensors, and multiple airbags ensure maximum safety.
