Dark Metal Gray Metallic and enhanced with premium upgrades such as a Fujitsubo titanium exhaust and RAYS forged wheels, this GT-R offers both thrilling performance and refined comfort.

Performance & Driving Experience
At its heart is a hand-built 3.8-liter twin-turbo V6 engine paired with a lightning-fast dual-clutch transmission and the advanced ATTESA E-TS all-wheel-drive system. This combination provides explosive acceleration, outstanding grip, and precise handling in all driving conditions. Brembo brakes ensure powerful and reliable stopping performance.

Interior & Comfort
The cabin features premium Urban Black leather seats with electric adjustment and heating, delivering both sportiness and comfort. The driver-focused cockpit is complemented by high-quality materials and intuitive controls, making every drive engaging and enjoyable.

Technology & Safety
Equipped with navigation, full-segment TV, Apple CarPlay/Android Auto, and a digital mirror with integrated front and rear dashcams, the GT-R blends performance with modern convenience. Safety features include Adaptive Cruise Control, Blind Spot

Monitoring, Rear Cross Traffic Alert, and a rearview camera.

Exterior
The muscular and aerodynamic design is highlighted by the Dark Metal Gray Metallic finish, genuine RAYS 20-inch wheels, and the distinctive sound and weight savings of the Fujitsubo titanium exhaust, reinforcing the GT-R’s supercar presence.
