Nissan Leaf , 2022

Nissan Leaf X Smart Key – 06/2022

General Overview
The **Nissan Leaf X Smart Key** is a modern electric hatchback that blends eco-friendly performance with everyday practicality and style. Produced in **06/2022**, this model comes in a unique **Pink Two-Tone finish**, making it stand out with a distinctive and fashionable appearance. Designed for those who value both sustainability and individuality, it delivers the complete electric driving experience.

Performance and Driving Dynamics
Powered by an electric motor producing **150 horsepower (110 kW)** and **320 Nm of torque**, the Leaf provides instant acceleration, smooth response, and quiet operation. Advanced systems such as **cruise control, lane keep assist, ABS, stability and traction control, automatic high beam, and rearview camera with sensors** enhance both safety and convenience during daily driving. **Also it comes with Apple CarPlay and Android Auto.**

Interior and Comfort
The interior combines modern comfort with user-friendly design. Features include **leather seating, Smart Key system, power windows, push-button start, and multifunction steering wheel**. The spacious and ergonomic cabin provides a premium feel while ensuring practicality for everyday use.

Technology and Safety
This Leaf is equipped with multiple intelligent safety and assistance systems, including **collision mitigation braking, obstacle detection, airbags, anti-theft devices, and adaptive driver aids**. Additional convenience comes from integrated **LED headlights, aluminum wheels, and climate control**, ensuring both peace of mind and comfort on every journey.
