Nissan Ariya , 2023

Nissan Ariya B6 – 04/2023

Exterior
This Nissan Ariya comes in an elegant **White** finish, emphasizing the futuristic design of the electric crossover SUV. Its sleek body lines, aerodynamic profile, and premium detailing give it a modern and commanding presence on the road.

Performance and Driving Dynamics
The Ariya B6 is powered by a **66 kWh battery**, delivering around **218 hp** through a front-wheel drive system with automatic transmission. It provides **smooth and quiet acceleration**, excellent efficiency, and refined handling, making it suitable for both city driving and long-distance travel.

Interior and Comfort
Inside, the Ariya offers a **spacious cabin** with minimalist Japanese-inspired design. Equipped with **premium Bose audio**, a large **12.3-inch navigation display**, wireless charging, and an intelligent rearview mirror, it combines comfort with advanced technology. The interior creates a lounge-like atmosphere with quality finishes and smart practicality.

Technology and Safety
This model comes with **ProPILOT driver assistance**, a **360° camera system**, **collision mitigation system**, and **adaptive cruise control**. Additional features include parking sensors, and a suite of safety technologies, ensuring a high level of protection and convenience.
