Nissan X-Trail 1.5 SNT33 – 01/2024

The **2024 Nissan X-Trail 1.5 SNT33** is a modern, versatile, and stylish SUV that combines performance, efficiency, and advanced technology. With its **1.5-liter engine** and **e-4ORCE all-wheel drive system**, the X-Trail is ready for any terrain while offering a smooth and responsive driving experience. The vehicle is equipped with modern safety features and offers a high level of comfort and convenience for both the driver and passengers.

Under the hood, the **Nissan X-Trail 1.5 SNT33** is powered by a **1.5-liter petrol engine**, producing **144 horsepower** and **300 Nm of torque**, which ensures excellent acceleration and fuel efficiency. Paired with a **CVT transmission** and the **e-4ORCE all-wheel drive system**, the X-Trail delivers a powerful performance, especially in challenging road conditions, while maintaining a high level of driving comfort.

Inside, the cabin of the **X-Trail 1.5 SNT33** offers plenty of space for up to **5 passengers**. The interior is crafted with premium materials, and the car comes equipped with features such as **dual-zone climate control**, a **7-inch infotainment system** with **Apple CarPlay** and **Android Auto** integration, as well as **Bluetooth connectivity**. The vehicle also includes **leather upholstery** and **electric front seats** for added comfort. The **panoramic roof** adds to the spacious and airy feel of the interior, enhancing the overall driving experience.

Safety is a key priority in the **2024 Nissan X-Trail 1.5 SNT33**. The vehicle comes with a range of advanced safety technologies, including **lane-keeping assist**, **forward collision warning**, **automatic emergency braking**, and **blind-spot monitoring**. Additionally, it is equipped with a **360-degree camera system** that provides excellent visibility for parking and tight maneuvers, ensuring a safer driving experience.

On the exterior, the **Nissan X-Trail 1.5 SNT33** boasts a sleek and dynamic design. The **Platinum White Pearl exterior** gives the vehicle a premium appearance, while features like **20-inch wheels**, **LED headlights**, and a **roof rail system** make it both practical and stylish. The **e-4ORCE all-wheel drive system** ensures the vehicle can handle various driving conditions, from smooth highways to rougher, off-road terrain.
