Overview
The Nissan GT-R Pure Edition 11/2023 is a legendary high-performance coupe finished in Ultimate Metal Silver 4-Coat M, blending track-ready engineering with everyday usability. %READMORE% With its 3.8L twin-turbocharged engine and advanced 4WD system, it delivers breathtaking acceleration and razor-sharp handling.

Driving Performance
Powered by a 3800cc gasoline twin-turbo engine paired with a 6-speed automatic transmission with manual mode, the GT-R offers explosive power delivery and precise gear changes. The intelligent 4WD system maximizes grip in all conditions, while the finely tuned chassis ensures exceptional stability and cornering performance.

Interior and Equipment
The 4-seat cabin features semi-aniline leather front seats with heating, combining sportiness and comfort. Smart key access, electric seats, integrated navigation, TV, DVD, music server, and premium audio provide a high-tech and driver-focused environment.

Technologies and Assistants
Safety systems include ABS, multiple airbags (front, side, curtain), cruise control, parking assist, rear camera, obstacle sensors, and stability control. A built-in dashcam and Display Audio with Apple CarPlay and Android Auto enhance connectivity and convenience.

Exterior
The aerodynamic coupe body is enhanced by adaptive LED headlights and lightweight 20-inch aluminum wheels. The Ultimate Metal Silver finish emphasizes the GT-R’s aggressive styling and iconic presence on the road.
