### Overview

The Nissan GT-R Pure Edition 10/2024 MY25 final model represents the legendary R35 in one of its last and most refined production forms. %READMORE% Finished in Brilliant White Pearl 3-Coat Pearl and equipped with premium performance upgrades such as a FUJITSUBO titanium muffler and RAYS forged wheels, this GT-R delivers iconic styling and track-proven capability.

### Performance

Powered by the renowned 3.8-liter twin-turbo V6 engine paired with a 6-speed dual-clutch transmission and advanced 4WD system, the GT-R offers explosive acceleration and exceptional grip. The lightweight titanium exhaust enhances throttle response and produces a distinctive performance sound.

### Interior and Technology

The driver-focused cockpit features power seats, factory navigation, a full infotainment display, and premium audio functions including CD/Music Server and TV. Smart key access and modern connectivity ensure everyday usability while maintaining the GT-R's performance-oriented character.

### Safety and Control

Equipped with ABS, anti-skid control, multiple airbags including optional side curtain airbags, rear camera, and obstacle sensors, the GT-R provides confidence and control in various driving situations.

### Exterior

The Brilliant White Pearl 3-Coat Pearl finish highlights the muscular lines of the GT-R.

RAYS forged aluminum wheels, LED adaptive headlights, and performance-oriented design details emphasize its aggressive and timeless presence.
