### Overview

The Nissan GT-R NISMO Special Edition 2023 represents the pinnacle of GT-R performance, combining motorsport-derived engineering with everyday usability. %READMORE% Finished in striking Vibrant Red with distinctive NISMO styling and carbon fiber elements, this low-mileage, one-owner vehicle offers exclusivity, precision, and exceptional driving dynamics.

### Performance & Driving Experience

Powered by a hand-built 3.8-liter twin-turbo V6 derived from GT3 racing technology, the NISMO delivers blistering acceleration and razor-sharp handling. Enhanced aerodynamics, sport-tuned suspension, and the advanced ATTESA E-TS all-wheel-drive system provide outstanding grip, stability, and track-ready performance.

### Interior & Comfort

The driver-focused cockpit blends sport and refinement, featuring premium materials, supportive sports seating, BOSE premium audio, and advanced connectivity including Apple CarPlay and Bluetooth for a modern driving experience.

### Technology & Safety

Equipped with a digital rearview mirror, front and rear dashcams, navigation with full-segment TV, and essential safety systems such as ABS, stability control, airbags, and obstacle sensors, the GT-R NISMO ensures confidence and convenience on every drive.

## Exterior

The aggressive NISMO design is highlighted by a carbon fiber hood, aerodynamic enhancements, LED headlights, and a full protection film that preserves the stunning Vibrant Red finish, emphasizing both performance and exclusivity.
