

Peugeot 3008 , 2022

Peugeot 3008 GT Hybrid4 4WD - 04/2022

Exterior

This Peugeot 3008 is finished in a stylish **Blue** metallic shade, showcasing the modern and dynamic design of the French SUV. The bold front grille, sharp LED lighting, and sculpted body lines emphasize its premium and sporty character.

Performance and Driving Dynamics

The 3008 GT Hybrid4 is powered by a **1.6-liter plug-in hybrid petrol engine** combined with electric motors, producing a total of **300 hp**. Paired with an automatic transmission and **4WD**, it delivers strong acceleration, excellent traction, and smooth hybrid efficiency. It offers the flexibility of pure electric driving for city use and powerful performance on the highway.

Interior and Comfort

Inside, the cabin blends French elegance with advanced technology. Highlights include **leather seats, push start**, and a panoramic sunroof that enhances the airy feel of the interior. With seating for 5 passengers, the 3008 provides both comfort and practicality, making it an ideal SUV for daily use and long trips.

Technology and Safety

Equipped with modern safety and convenience features, this model includes **front and rear cameras**, adaptive cruise control, parking sensors, and multiple driver-assistance systems. The plug-in hybrid system supports external charging, offering both eco-friendly commuting and long-distance flexibility.
