Overview

The Porsche Macan PDK S 02/2022 is a performance-oriented SUV powered by a 2.9-liter gasoline engine and equipped with an advanced 4WD system. %READMORE% This Porsche Macan for sale is available as a used car for sale in Cyprus through our car dealership, offering a balance of sportiness and everyday practicality.

Driving Performance

Equipped with a 7AT with floor MT mode and Porsche's 4WD drivetrain, the Macan S delivers responsive acceleration and confident handling. The 2900cc gasoline engine ensures dynamic performance suitable for both city driving and long-distance travel.

Interior and Equipment

The cabin accommodates 5 passengers and features genuine leather seats with electric adjustment. Smart key access, power windows, and integrated climate control provide everyday comfort and convenience.

Technologies and Assistants

Safety systems include ABS, airbags, obstacle sensors, anti-skid control, cruise control, and an all-around camera system. These technologies support stable driving and enhanced awareness in various road conditions.

Exterior

Finished in Carara White Metallic, the Macan presents a clean and sporty SUV silhouette. LED headlights and refined body lines emphasize its premium and dynamic character.
