Porsche 911 Targa 4 GTS – 2025 BRAND NEW

Safety and Assistance Systems:
This 911 Targa 4 GTS is equipped with the latest in driver safety and support, including **adaptive cruise control**, **Surround View with Active Parking Support**, **Warn and Brake Assist with pedestrian protection**, **lane keeping assist**, **traffic sign recognition**, and a reversing camera with ParkAssist front and rear. Driver awareness detection, ISOFIX child seat anchors, and emergency call systems further enhance safety.

Performance and Handling:
Powered by a **3.6-litre 6-cylinder boxer engine with electric turbocharger (eTurbo)**, and paired with an **8-speed PDK transmission**, this GTS offers dynamic, all-wheel-drive control through **Porsche Traction Management (PTM)** and **rear axle steering**. **PASM active suspension**, **Porsche Torque Vectoring Plus (PTV Plus)**, and a **front-axle lift system** (added extra) ensure adaptable performance. The **Sports Exhaust System** is fitted with **titanium tailpipes** (added extra) for an enhanced driving soundtrack.

Comfort and Multimedia:
Inside, enjoy the immersive **BOSE® Surround Sound System** (added extra), **navigation high**, **digital radio**, and full smartphone integration with wireless charging. A **two-zone automatic climate control system** and **seat ventilation** (added extra) keep the cabin pleasant year-round. Comfort Access, heated seats, and the **Heated GT Sports Steering Wheel in leather** (added extra) combine luxury with usability.

Interior and Seats:
The cabin features **14-way power sports seats with memory** (added extra), **ventilated and heated front seats**, and the **Porsche Crest on headrests** (added extra). Exclusive touches include the **Carbon matt interior package**, **illuminated carbon door sills**, **ioniser**, **grey-tinted windscreen**, and **GT-style pedals and footrest**. **Deletion of the GTS logo on doors** (added extra) gives it a sleek, understated look, while the **Targa roll bar** and other accents are finished in **Satin Black**.

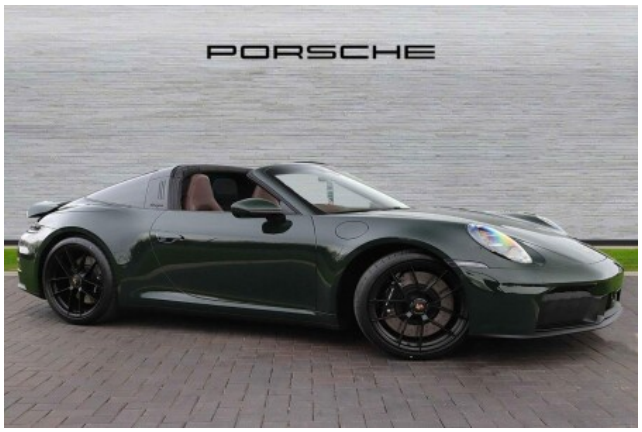

Exterior:
Finished in timeless style with **20-inch front / 21-inch rear Carrera GTS alloy**

wheels painted in **Satin Black** (added extra), this Targa model includes **Exclusive Design fuel filler cap**, **taillights**, **privacy glass**, **black high-gloss brake calipers**, and **LED Matrix headlights with HD and tint** (added extra). A **GTechniq ceramic coating** (added extra) protects the surface while enhancing shine.
