Overview

This Porsche 911 3.6 T-Hybrid 992 Carrera GTS Convertible registered on 11/06/2025 is a convertible powered by a 3.6-liter Petrol-Hybrid engine. Offered as a pre-owned car with low mileage through Porsche in Sheffield, it presents a refined option for buyers seeking a high-performance luxury convertible.

Driving Performance

The vehicle is equipped with an 8-speed Porsche Doppelkupplung (PDK) automatic transmission and a 2WD drivetrain. Powered by a 6-cylinder boxer engine with an electric turbocharger delivering 541 hp (534 bhp), it achieves 0-60 mph in 3.1 seconds with a top speed of 194 mph. Porsche Active Suspension Management and rear-axle steering provide exceptional handling and stability.

Interior and Equipment

The interior accommodates four passengers and is upholstered in black leather and microfibre surfaces with brushed aluminium trim. The cabin features heated front seats, two-zone automatic climate control, sports design elements, and a black fabric hood lining, delivering everyday comfort and luxury.

Technologies and Assistants

Equipped with driver assistance and safety systems, including Lane Keeping Assist, ParkAssist with a reversing camera, advanced braking and pedestrian protection systems, and the Sport Chrono Package with the Porsche Track Precision App, it ensures a confident drive in varied conditions.

Exterior

The body is a convertible finished in understated grey with a black convertible top. Its styling is accented by 20-inch front and 21-inch rear Carrera GTS alloy wheels, anthracite grey detailing, satin black rear model designation, and LED matrix main headlights.
