## Porsche Panamera 2024

**Safety Equipment:** The vehicle is equipped with a comprehensive safety system, including driver and front passenger airbags, front side airbags, and a head airbag system for enhanced occupant protection. It features **Lane Keep Assist**, which helps maintain lane positioning, and **Warn and Brake Assist**, which includes pedestrian protection. The **ParkAssist system** with front and rear sensors provides visual and audible warnings to assist with parking, while the **rearview camera** enhances visibility. Additional safety features include **ABS (Anti-lock Braking System)**, **Tyre Pressure Monitoring System (TPM)**, **ISOFIX child seat mounting points on the outer rear seats**, and **Extended Pedestrian Protection Measures**. The **alarm system with interior surveillance** and **anti-theft wheel bolts** ensure vehicle security.

**Comfort Equipment:** The cabin is designed for maximum comfort, featuring **8-way electrically adjustable front comfort seats** with **driver memory settings**. The **seats are heated in the front**, and the **two-zone automatic climate control system** provides personalized temperature settings. **The interior is finished in high-quality white full leather**, including **leather door panels and central armrests**. The **powered tailgate** adds convenience, while the **flexible luggage compartment roller cover** enhances storage organization.

**Interior:** The vehicle's interior is finished with **Diamar-painted Silvershade trim accents**, adding a sophisticated touch. **The black pedals and footrest** complement the modern design. It features an **auto-dimming frameless rearview mirror**, a **fabric roof lining**, and the **Porsche logo in high-gloss silver on the dash**. The **Sport Chrono Package**, including a black stopwatch instrument dial, enhances the driving experience. Additional refinements include **illuminated aluminum door sill guards with model designation**, **floor mats**, and a **smartphone compartment with wireless charging**.

**Exterior:** The Panamera is finished in **Jet Black Metallic**, creating a sleek and dynamic look. It features **side window trims in high-gloss silver** and **door handles painted in the exterior color** for a seamless design. The **side skirts and rear diffuser with a louvered design** enhance aerodynamics. The **aluminum roof** adds to the vehicle's lightweight construction, improving efficiency and performance. The **exhaust system includes twin single-tube tailpipes in brushed stainless steel**, while the **matrix LED headlights** provide superior illumination.

**Performance:** The Panamera is powered by a **2.9-liter twin-turbocharged V6 engine**, delivering **348 horsepower and 500 Nm of torque** for a refined yet powerful drive. It features an **8-speed PDK automatic transmission** for seamless gear shifts and **Adaptive Air Suspension with Porsche Active Suspension Management (PASM)** for an optimized ride. The **brake system includes black calipers**, ensuring high-performance stopping power.

**Technology and Multimedia:** The vehicle is equipped with the **Sound Package Plus** for an enhanced audio experience. The infotainment system includes **MMI Navigation with MMI Touch, Audi Connect Navigation and Infotainment, and Audi Connect with Amazon Alexa Integration**. The **Audi Smartphone Interface** supports **Apple CarPlay and Android Auto** wirelessly, allowing seamless smartphone connectivity. Additional features include **DAB digital radio, Bluetooth connectivity, and a speed limit indicator**.

**Driver Assistance Systems:** The vehicle includes **Adaptive Speed Limit Assist, Power Steering Plus, and a speed limit indicator** for improved driving convenience. The **Sport Chrono Package** enhances the car's dynamic performance, while the **Matrix LED headlights** improve visibility in various driving conditions. The **Tyre Pressure Monitoring System (TPM)** ensures optimal safety and efficiency.
