Overview

The Porsche Cayenne Tiptronic S 11/2023 is a luxury performance SUV that combines dynamic Porsche engineering with premium comfort and advanced driver assistance technologies. %READMORE% Finished in rare Kaiser Gray M and equipped with air suspension, Sport Chrono Package, PDCC, and a full leather interior with decorative stitching, this Cayenne delivers both athletic performance and executive-level refinement.

Performance and Driving Dynamics

Powered by a 3.0-liter gasoline engine paired with an 8-speed Tiptronic S transmission and intelligent 4WD system, the Cayenne offers smooth yet powerful acceleration. Air suspension and PDCC enhance handling stability and comfort, while the Sport Chrono Package sharpens throttle response and driving dynamics for a more engaging experience.

Interior and Technology

The cabin features 18-way power-adjustable seats with heating and ventilation, premium leather upholstery, and refined stitching details. A Head-Up Display, passenger display, and advanced infotainment system create a high-tech environment, while Night Assist improves visibility in low-light conditions.

Safety and Assistance Systems

Comprehensive safety equipment includes adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, Parking Assist, and a 360° surround-view camera system. These technologies provide confidence and convenience in both city and highway driving.

Exterior

The distinctive Kaiser Gray M exterior emphasizes the Cayenne's muscular SUV proportions. Adaptive LED headlights, roof rails, panoramic glass roof, and elegant alloy wheels complete the sophisticated yet sporty appearance.
