

Porsche Macan , 2025

Porsche Macan Turbo Electric 02/2025, 5049 km

Leipzig-built, right-hand drive, sourced direct from Japan — bypassing the 20%+ premium on comparable UK cars.

639 hp / 1,130 Nm · 0-100 in 3.3s · 260 km/h · up to 589 km WLTP · 800V architecture, 10-80% in 21 minutes.

Rear axle steering, Sport Chrono, 22" RS Spyder wheels, Matrix LED headlights in Glacier Blue, illuminated PORSCHE light strip, panoramic roof, augmented-reality head-up display, 18-way adaptive sports seats with memory, heating and ventilation, BOSE surround, 360° camera, adaptive air suspension with PASM, PTV+, heat pump, Performance Battery Plus, full driver assistance suite.

Dolomite Silver Metallic over Black / Limestone Beige leather.

Porsche high-voltage battery guarantee: 8 years / 160,000 km and Porsche full car warranty: until 02/2028, worldwide, transfers to the new owner.

Full VIN report and factory build sheet available on request. Price includes all costs incl. registration and number plates.
