Overview

This 2022 Porsche Taycan is an electric sedan finished in White Pearl, offered as a used car for sale through a professional car dealership. It represents a focused option for buyers seeking an all-electric performance car with modern connectivity and comfort features.

Driving Performance

The vehicle is equipped with an electric powertrain, automatic transmission, and a 2WD drivetrain. This configuration delivers smooth, responsive acceleration and dynamic driving characteristics.

Interior and Equipment

The interior features a 4+1 seating configuration accommodating up to 5 passengers, designed for everyday comfort and premium ergonomics with heated electric seats.

Technologies and Assistants

Standard safety and driver assistance systems include Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, and a 360-degree camera setup to ensure confident driving in both urban and highway conditions.

Exterior

The body is a sedan finished in White Pearl, complemented by 19-inch alloy wheels and a panoramic glass roof that enhances its sporty presentation.
