### Overview

The Porsche 911 GT3 PDK 04/2022 is a pure driver-focused sports car that blends motorsport engineering with road-going precision. %READMORE% Finished in iconic Guards Red and equipped with a carbon roof and Chrono Package, this GT3 delivers an uncompromising driving experience with unmistakable Porsche DNA.

### Performance

At its heart is a naturally aspirated 4.0-liter flat-six engine paired with a lightning-fast 7-speed PDK transmission. The rear-wheel-drive layout, precision-tuned chassis, and track-inspired aerodynamics provide razor-sharp handling, exceptional balance, and thrilling high-revving performance.

### Interior and Technology

The cockpit is designed around the driver, offering supportive electric seats, premium materials, and essential performance-focused controls. The Chrono Package enhances driving dynamics, while navigation, connectivity features, and a dashcam add everyday practicality.

### Safety and Control

Equipped with ABS, anti-skid control, adaptive cruise control, multiple airbags, rear camera, and parking sensors, the 911 GT3 ensures confidence both on spirited drives and during daily use.

### Exterior

The Guards Red finish highlights the aggressive yet timeless silhouette of the 911 GT3. The carbon roof lowers the center of gravity, while satin-finished aluminum wheels and

distinctive aerodynamic elements emphasize its track-ready character.
