Overview

This Porsche 911 Turbo S Cabriolet from 05/2024 is a convertible equipped with a 3.6-liter petrol-hybrid twin-turbocharged engine delivering 711 hp, offered as a used car for sale through a professional car dealership. It represents a focused option for buyers considering a Porsche 911 for sale and a premium car for sale in Cyprus.

Driving Performance

The vehicle is equipped with an automatic transmission, Front Axle Lift System, and a 4WD drivetrain. This configuration delivers supercar-rivalling pace, explosive acceleration, and exceptional stability across all driving conditions.

Interior and Equipment

The interior accommodates four passengers and is finished in Black Leather with Crayon Stitching. Featuring a Heated GT Sports Steering Wheel, Race-Tex details, Porsche Design Subsecond Clock, Comfort Access, HomeLink®, and ambient lighting, the cabin layout balances extreme performance with everyday luxury and convenience .

Technologies and Assistants

Advanced safety and driver assistance systems are provided, including Porsche InnoDrive with Adaptive Cruise Control, Adaptive Lane Keeping Assist, and Lane Change Assist. They reduce driver workload and enhance safety during long journeys and highway driving.

Exterior

The body is a convertible finished in striking Carmine Red, complemented by the Black Sports Exhaust System, Exclusive Design Taillights, high-gloss black exterior badges, and rear side air intakes. Its exterior presentation matches the top-tier supercar positioning of the Porsche 911 Turbo S in Cyprus.
